Re: Formal Approval of Form and Amount of *Interim* Reclamation Surety, American Stone, Peoa Blonde and Heber Quarries, M/043/012 and M/051/001, Summit and Wasatch Counties, Utah

Dear Mr. Thomas:

On October 16, 1998, the Division Director, Lowell P. Braxton, approved the form and amount of *interim* reclamation sureties for your Peoa Blonde and Heber Quarries. The reclamation sureties in the amount of \$25,000 and \$28,000 respectively, are in the form of Certificates of Deposit (_____) and # _____ issued by First Security Bank. We hereby notify you of our acceptance of these *interim* sureties which will remain in place until the large mining permit applications for these two operations are received and approved by the Division. The surety amounts will be adjusted accordingly (up or down) based upon the final reclamation requirements of the approved plans.

Enclosed please find one of three signed original copies of the Certificate of Deposit cover letters along with a carbon copy of the actual certificates for your files. We will keep the second original copy and forward the third original copy to First Security Bank. We will retain the two original Certificates of Deposit in our secured bond file. Signed Reclamation Contract agreements (Form MR-RC) will need to be completed and filed with our office, along with the final reclamation surety amounts, upon approval of the large mining permit applications. We will forward copies of these Reclamation Contract forms to you after we receive your new permit applications for both quarries.

Thank you for your cooperation in providing these interim sureties. You are reminded that mining activities must be restricted to the current extent of surface disturbance associated with each of these quarries. Further expansion of the existing disturbance is prohibited until the large mining applications are approved by the Division. Please call me if you have any questions in this regard.

Sincerely,

D. Wayne Hedberg

Re: Certificate of Deposit for American Stone, Heber Quarry, M/051/001, Wasatch County, Utah

This is in regards to regulatory requirements of the mining statute and rules of the State of Utah, Division of Oil, Gas and Mining, governing the operations and reclamation of the Heber Quarry, Permit Number M/051/001, operated by American Stone.

A Certificate of Deposit will be issued by First Security Bank for \$28,000 and be automatically renewable upon expiration. The Certificate should be made out in the name of the State of Utah, Division of Oil, Gas and Mining. The interest earned by the Certificate of Deposit for the first three months will be added back on to the Certificate of Deposit. After that, the interest earned will be dispersed quarterly and deposited into American Stone's account. If the Certificate is redeemed before the maturity date and the penalty reduces the face value of \$28,000, the State of Utah, Division of Oil, Gas and Mining will go to American Stone for reimbursement of that loss. If redeemed after the maturity date, then \$28,000 will go to the State of Utah, Division of Oil, Gas and Mining and the remaining balance will go to American Stone's account. The Certificate of Deposit can only be redeemed by the State of Utah, Division of Oil, Gas and Mining.

If the statute or rules of the State of Utah, Division of Oil, Gas and Mining are violated with respect to the operation or reclamation of the Heber Quarry covered by this surety, the State of Utah, Division of Oil, Gas and Mining has the authority to call the Certificate on demand, for the full amount of \$28,000. Any loss due to an early redemption penalty will be the responsibility of American Stone and will not be the expense or responsibility of the State of Utah.

The Division Director's signature, Lowell P. Braxton (or the appropriate Division Director at that time), will be required to call the Certificate or release said funds back to American Stone.

First Security Bank will not be held liable for any dispute between the parties. These rules pertain to the Certificate of Deposit Number: _____
